

NEWSELA

Read closely. Think critically.
Be worldly.

Newsela is an innovative way to build reading comprehension with nonfiction that's always relevant: daily news. It's easy and amazing. Register now to see the impact Newsela can have on your classroom.

Articles That Inform and Intrigue

Newsela is free for students to explore a world of nonfiction and test their comprehension. Updated daily with real-world news from major publications, students can participate in conversation about the most urgent topics of our time, all while becoming stronger readers.

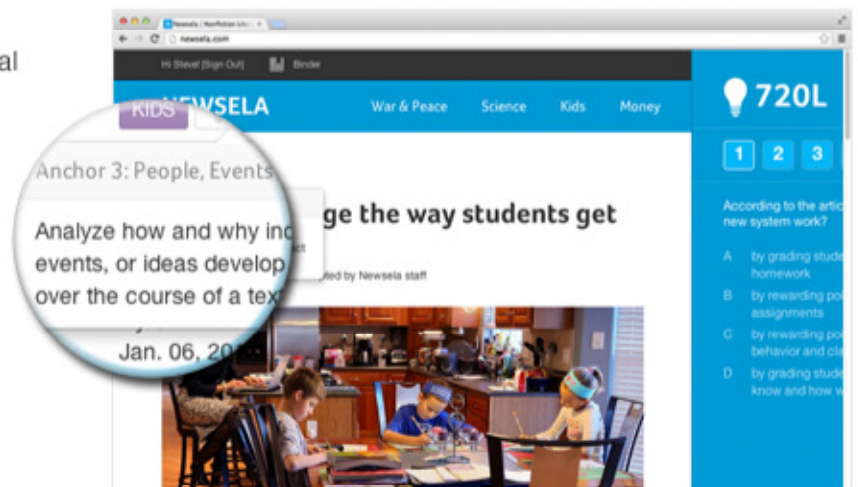

Every Article at 5 Levels

Newsela makes it easy for an entire class to read the same content, but at a level that's just right for each student.

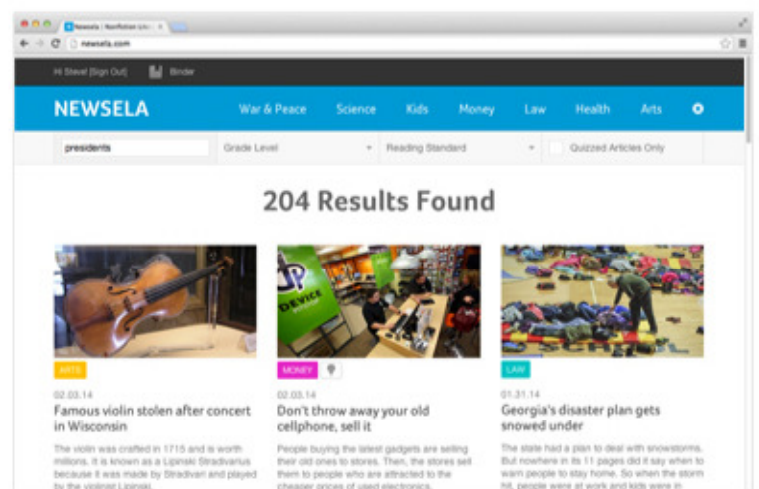

Common Core-Aligned

Keep students engaged with quizzes that test critical thinking and close reading.

High-Interest Topics

News is nonfiction with an edge. From astronomy to zoology, there's something for every student's taste and every teacher's subject area.

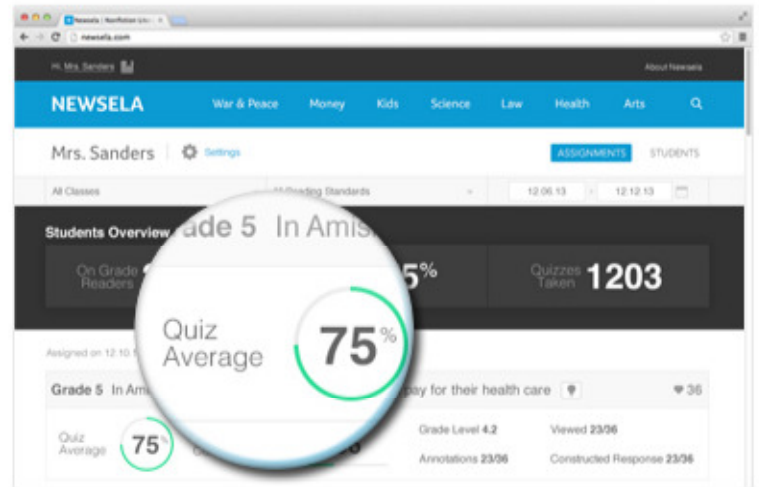

Take it to the Next Level With Newsela **PRO**

Kindling insatiable curiosity in young minds. Equipping students with the skills they need to succeed. That's why teaching is your calling. That's why passionate educators choose Newsela PRO. For administrators, Newsela PRO is your ally as you lead teachers in mastering the Common Core. Know where your staff and students stand in literacy and map where you want to go.

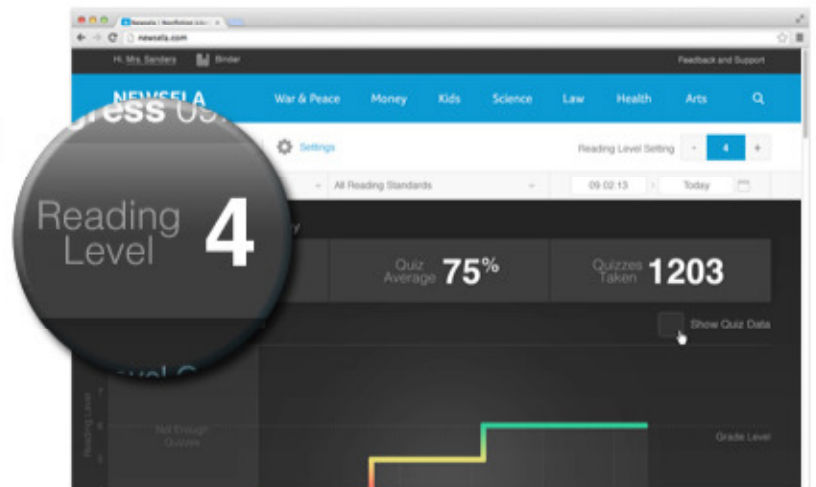

Assign With One Click

Automatically assign articles to students. See who read the story, passed the quiz and took notes all in a single screen.

Track Progress Day by Day

The teacher and administrator binder records student results and displays reading-level achievement in a crystal-clear, visual format. Drill down to see results by specific Common Core standard.

Engage With Writing Tools

Lead students toward a deeper examination of content through interactive annotations and editable written-response questions.
