Nov. 24-26	Thanksgiving – No School

WELCOME MRS. OLSEN!

Former South Bend graduate and teacher, Alyssa Olsen has joined our team as the K-6 Vice-Principal. She has several important responsibilities but the students know her best as their SEL teacher. SEL stands for Social Emotional Learning. Mrs. Olsen works with students to help them identify feelings, positive conflict resolution strategies and self-management skills.

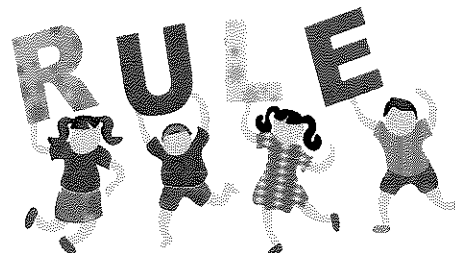

FALL WEATHER

It's October already and that means a change in the weather. We do our best to have recess outside, even if it's raining lightly. Recess is more enjoyable when students have warm coats and shoes for the weather. Students are also allowed to bring umbrellas. If you need assistance in getting a warm coat please call the office.

STATE TESTING FOR GRADES 4-6

Students in grades fourth through sixth will be taking a revised version of the state mandated Smarter Balanced Assessment during the month of October. Grades fourth through sixth will all take the ELA and Mathematics test. Sixth grade will also take the science test. These tests were designed for them to take last spring, but due to COVID issues the test was rescheduled to this fall.

RESPECTFUL, RESPONSIBLE & READY!

Students and staff at Mike Morris Elementary are working on being respectful and kind, responsible and safe, and ready to learn. This includes making good choices and in class, the hallway, cafeteria, restroom and playground. We love to acknowledge students with Golden Tickets when they are doing a great job. When we're respectful, responsible and ready; school is a great place to be!

Nov. 24-26	Acción de Gracias– No Escuela

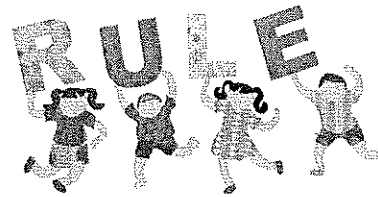

EXAMENES DEL ESTADO GRADOS 4-6

Los estudiantes de cuarto a sexto grado tomarán una versión revisada de la Evaluación Smarter Balanced del estado durante el mes de Octubre. Los grados cuarto a sexto tomarán el examen de ELA y Matemáticas. El sexto grado también tomará el examen de ciencias. Estas pruebas fueron diseñadas para que las tomaran en la primavera pasada, pero debido a problemas de COVID, la prueba se reprogramó para este otoño.

BIENVENIDA MRS. OLSEN!

Alyssa Olsen fue graduada y maestra de South Bend, Mrs. Olsen se ha unido a nuestro equipo como subdirectora de K-6. Ella tiene varias responsabilidades importantes, pero los estudiantes la conocen mejor como maestra de SEL. SEL significa aprendizaje Social y Emocional. Mrs. Olsen trabaja con los estudiantes para ayudarlos a identificar sentimientos, estrategias positivas de resolución de conflictos y habilidades de autogestión.

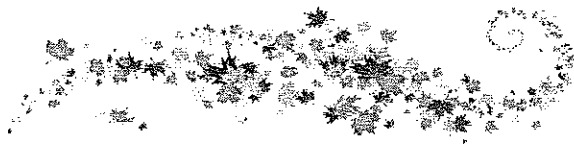

RESPETUOSO, RESPONSABLE, LISTO!

Los estudiantes y el personal de la escuela primaria Mike Morris están trabajando para ser respetuosos y amables, responsables y seguros y listos para aprender. Esto incluye tomar buenas decisiones en la clase, el pasillo, la cafetería, el baño y en el recreo. Nos encanta reconocer a los estudiantes con Golden Tickets cuando están haciendo un gran trabajo. Cuando somos respetuosos, responsables y estamos listos; la escuela es un gran lugar para estar!

CLIMA DE OTOÑO

Ya es Octubre y eso significa un cambio en el clima. Hacemos todo lo posible para hacer el recreo al aire libre, incluso si está lloviendo ligeramente. El recreo es más agradable cuando los estudiantes tienen abrigos y tenis para el clima. Los estudiantes también pueden traer paraguas. Si necesita ayuda para conseguir un abrigo, llame a la oficina.

SOUTH BEND PUBLIC SCHOOLS
