

January 17, 2022

Dear Scholarship Coordinator:

On behalf of the Raymond Elks Lodge #1292, we are honored to once again offer a scholarship to a graduating senior of Willapa Valley High School, South Bend High School, Raymond High School, and Ocosta High School for the academic year of 2021-2022. The amount of scholarship is TBD (\$500-\$1000).

The Raymond Elks Lodge 1292 scholarship committee will select a recipient from each high school. The applicants will be judged not only on their G.P.A., but also on their desire to continue their education, their community service, their effort towards preparing for college or trade school, and their financial need for assistance.

In order to be considered for this scholarship, applicants must include a copy of their transcript, two letters of recommendation (one from a school staff member), and a letter of application addressing their future plans, choice of school (copy of acceptance letter if available), community and school services, and family background.

The scholarship will be presented to the recipient after they have successfully completed a college quarter or semester as a full time student, with a minimum G.P.A. of 2.00. The scholarship must be used during the academic year of 2022-2023.

All Raymond Elks Scholarship applications must be completed on or before April 29, 2022. Applications can be mailed directly to me at the address below.

Sincerely,

Matthew Bannish
Scholarship Chairman
